

Dear Ridge family,

I hope this letter finds you safe and healthy. We are facing unprecedented obstacles for the 2020 school year. In the past, you would have already received our invitation to join the Ridge Booster Club. Membership (based on level) provided passes for admission to regular season athletic events played on our home field. Due to social distancing guidelines, we cannot guarantee admittance to athletic events.

While our attendance to athletic events may be temporarily curtailed, we still intend to support our athletes and marching band. Last year, in addition to funding equipment requests, athletic awards and four student-athlete scholarships, the Ridge Booster Club purchased lawn signs for all Spring athletes which were displayed on Collyer Lane. The funds used to support these initiatives were generated by selling Booster Passes and sportswear. We have not been able to host a Ridge sportswear sale just yet, but we are working on ways to offer our products in a safe environment. Sale dates and locations will be posted on our website.

Covid-19 has affected our professional and personal lives and we are all looking forward to some return to normalcy. It is important to support our athletes and make this a year to remember (especially for our seniors). To do our part the **Ridge Booster Club is working to provide a live stream broadcast of our home football games**. It is important to acknowledge our athletes and generate school spirit. We want to share our support and excitement for our football players, cheerleaders and marching band with the community.

In order to continue to provide financial support, equipment / facilities enhancement and scholarships we are asking for your help. Rather than sell Booster Passes this year, we are asking that you make a donation to the Ridge Booster Club. To donate by check, please return the form below with the envelope provided. You may also donate online by visiting **www.ridgebooster.com**.

We have relied on your support over the years and look forward to continuing our partnership through these challenging times. Thank you for supporting the Ridge Booster Club.

Kind regards,

Lori Roti
